CHICAGO OLD POST OFFICE:

Reviving a Chicago Landmark

UNIQUE VENUES, ALL UNDER ONE ROOF

THE HISTORIC LOBBY

Once bustling with mail carriers and patrons, The Historic Lobby has been transformed into the city's finest event space. The Chicago Landmark has been fully restored to its original state, a true tribute to its 1920's Art Deco design. This two-story space features floor-to-ceiling white marble walls, brass ornamentation, and gold leaf ceilings—the perfect backdrop for events of all sizes.

MARQUEE CONFERENCE CENTER

Keynotes, breakout sessions, evening receptions. The Marquee Conference center is a versatile group of rooms designed to cater to your corporate or social needs. The Marquee Ballroom sets the stage for large group activities while Pony Express and Stage Coach add additional space to provide flexibility to your event, each complete with quality audio and visual systems. When it comes to conferences, we've got you covered.

TELEGRAM

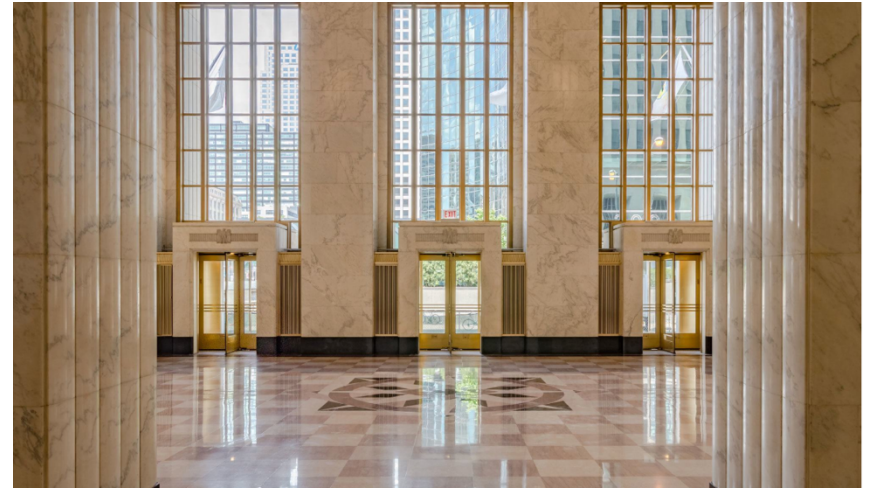

A modern lounge, with a twist. The Telegram Lounge amplifies any reception with its wrap-around bar, bocce lane and pool table. Complete with floor to ceiling windows and east-facing views of the river, this space is guaranteed to keep your guests talking long after last call.

THE VAULT

The Vault provides the perfect setting for all of your intimate gatherings. Centered around a spacious bar and sleek conference table with lounge areas on either side, your VIPs will feel right at home. High brick tile ceilings, ample natural lighting, and an east-facing view of the river round out this modern space.

MEADOW

Meadow is the final piece—and the "crown jewel"—of The Old Post Office, delivering the city's largest urban rooftop oasis. Tenants will soon have access to a sprawling 3.5-acre green space complete with a running track and basketball court, not to mention plenty of space to relax, host a casual meeting, or find new inspiration with a stunning change of scenery.
